SLPS is celebrating our 40th year of serving our membership throughout Southern California. The mission of SLPS is to create cultural and social events for our community of 1400 members who are predominantly second and third generation hoteliers. From small independent motels to multi property management companies, we span the whole spectrum of hotel ownership in the economy sector. We have robust member participation for all of our events that occur throughout the year and proudly support our local community with service projects and charity drives like Toys for Tots and Breast Cancer Awareness.

The Annual SLPS Golf Tournament is our largest fundraising event that is very well attended (160 players last year) and is preceded by the Awards Banquet in the evening (400 person attendance). This year, we are forecasting another record breaking year: with player attendance, Awards Banquet attendance and sponsorship.

We sincerely hope that you will support us by sponsoring and joining us at the SLPS Annual Golf Tournament.
